**ARKANSAS ADVANCED ENERGY ASSOCIATION, INC.'S
REPLY COMMENTS**

The Arkansas Advanced Energy Association, Inc. (AAEA) has no further comments at this time for Docket 13-002-U beyond the “Joint Comments” filed by the Joint Commenting Parties (JPC) and the initial comments regarding “Avoided Costs” and “Non-Energy Benefits” that AAEA filed on May 15, 2013. AAEA awaits further direction from the Arkansas Public Service Commission (APSC) before responding any further. Once the APSC has set a hearing date, AAEA will make available Jim Metzger of HISTECON Associates, Inc. and Gregory Hamilton of the Institute for Economic Advancement at UALR to respond to questions regarding their studies of “Avoided Costs” and “Non-Energy Benefits.” AAEA appreciates the opportunity to participate in Docket 13-002-U.
