DOCKET NO. 12-060-R
 ORDER NO. 6

ORDER

On May 15, 2013, by Order No. 4 in this docket, the Arkansas Public Service Commission ("Commission") proposed amendments to its Net Metering Rules ("NMRs") to allow meter aggregation for net metering customers and established a procedural schedule providing for the submission of comments by all parties on or before noon on May 31, 2013 and for a public hearing on June 21, 2013. On June 6, 2013, the Arkansas Electric Energy Consumers ("AEEC") filed a *Motion for Extension of Time to File Comments* ("Motion"), with its comments attached. AEEC states in support of its Motion that, while it wishes to provide general comments regarding the proposed amendments, it was unable to submit its comments by the May 31st noon deadline.

Ruling

AEEC gave notice that it would be a party to this docket on August 20, 2012, pursuant to Order No. 1 in this docket, which provided that any person granted intervention in prior Docket No. 12-001-R, concerning net metering, would be granted intervention in this docket upon filing a notice of intent to participate. Thus far, AEEC has not otherwise participated in this docket. The Commission notes that, as a party to this docket, AEEC could verbally comment in this proceeding at the public hearing.

However, because it is in the interest of all parties and the Commission to have access to these comments prior to the hearing, and because AEEC moved quickly to file its comments soon after the deadline, and because no other party has objected, the Commission grants AEEC's Motion.

BY ORDER OF THE COMMISSION,

This 13th day of June, 2013.
